1. [REDACTED] BRIEFING I called Rick Gilmore, staff member of the Senate Foreign Relations Subcommittee on Multinational Corporations, to set up a time to brief him and answer questions related to his request for information with respect to our dealings with grain companies. Gilmore will come to Headquarters on Thursday, September 11, at 10:30. [REDACTED] OCI, has been advised. [REDACTED] will do the briefing. The meeting will take place in [REDACTED] office, 4F18. In response to his question as to what we were prepared to talk about, I stated that we would be responsive to any questions he might have as long as he did not get into sensitive areas concerning [REDACTED]. Gilmore stated that Mr. Cary had agreed that any sensitive questions could be negotiated. At the request of Mr. Gilmore, the meeting was later changed to 3:30 on Friday, 12 September 1975.

2. [REDACTED] LIAISON Called Sam Vinson, legislative assistant to Representative Edward Madigan (R., Ill.), in connection with his inquiry concerning the Agency's intensive language program in French. He said that he had phoned the Agency on this matter because "you are the only place in town where one can call up and get a straight answer." I suggested to him that he call Dr. Howard Sollenberger, at the Foreign Service Institute in Rosslyn, explaining that FSI had an excellent intensive language program. He thanked me for this suggestion.

3. [REDACTED] INTELLIGENCE BRIEFING Talked to Charlotte Wilmer, administrative assistant to Representative John Breaux (D., La.). She informed me that the Congressman was still planning to visit Cuba toward the end of October and that she would be in touch with me to arrange for a briefing as a follow-up to the textual material we have already made available to the Congressman.
